

*Welcome to Asian Central. We are a small, family-run business that has been providing fresh, quality Asian cuisine since 2010.*

*Hung, owner and head chef, first opened Asian Central in Salisbury with the aim of celebrating local produce and fresh flavours. With 16 years of experience under his belt and with the help of his lovely wife, Ha, and their daughter, Maria, Hung and his family are determined to share with you their passion for food.*

*In 2017, we debuted a second restaurant in Gawler in the hope that we can spread our food and our hospitality to more and more people.*

*We hope you enjoy your experience with us.*
