

Welcome to Asian Central! We are a small, family-run business that has been providing fresh, quality Asian cuisine since 2010.

Hung, owner and head chef, first opened Asian Central in Salisbury with the aim of celebrating local produce and fresh flavours.

In 2017, we debuted a second restaurant in Gawler in the hope that we can spread our food and our hospitality to more and more people. Our new Salisbury location is expected to open in 2023.

With over 20 years of experience under his belt and with the help of his wife, Ha, and their daughter, Maria, Hung and his family are determined to share with you their passion for food.

Now more than ever, we thank you so much for your support. We truly could not be where we are today without our wonderful customers.
